

Dear Parents:

Thank you for enrolling your child in a Safe Sitter class. We believe strongly in the philosophy and content of this course. In fact, we wish we had something like this when we were growing up. We will still discuss with them over the course of the day how to treat babysitting like a real business, how to deal with behavior problems, how to deal with injuries, how to save a choking infant and child and much more.

There are few administrative things we want to let you know about the class. We ask that you register in advance to hold your child's spot in the class. This entails filling out a Safe Sitter registration form with emergency contact information and leaving the registration fee of \$55 (please make checks payable to Nancy LaFon). If for some reason you need to cancel prior to the week of the class, you may either transfer your registration to another class, or you may have a full refund. If you cancel during the week before the class, you will have to transfer to another class or forfeit your registration fee.

Class will start at 9:00, unless specifically told otherwise. Participants need to bring a lunch and either something to drink or money. The Boys & Girls Club has pop machines available. We will be done with the class portion around 3:00pm and will have the closing ceremony immediately following. We ask that you join us for the closing ceremony to see what your child has learned and watch them get their completion card. This portion should be finished around 3:30pm.

If you have any questions, please contact Angie at the Boys & Girls Club of Zionsville at 873-6670. If she cannot answer your questions, they will put you in contact with us. We hope that this is a positive and worthwhile experience for your child. If there is anything else we can help you with, please let us know.

Sincerely,

Sandi Byle
